

### Exquisite Accommodation

Inspired by traditional Portuguese architecture, the Individual Villas are ideally situated in the heart of the resort, in Miradouro Village. These generously sized private villas are the perfect choice for families who wish to relax and enjoy some quality time together without being far from all the resort's social areas. With their manicured gardens and private swimming pool, these villas with 3 and 4 bedroom options offer great views from the country side, future Jack Nicklaus Signature golf course with the blue bright Ocean on the horizon.
